JOHANN SANTOSH

DENIM  
COLLECTION

The background image shows a person standing in a forest, leaning against a large tree trunk. They are wearing a light-colored, structured garment with a dark top. The text 'TORI/GAMI' is overlaid in large, white, serif capital letters.

# TORI/GAMI

This collection fuses the delicate precision of origami with the clean lines and geometry of traditional Japanese architecture. Each garment explores the balance between structure and fluidity, form and function. Asymmetry and sculptural silhouettes evoke quiet strength, transforming fabric into a poetic expression of movement, minimalism, and architectural grace.

# INSPIRATION BOARD

In this fashion collection, the art of origami intertwines with the timeless sophistication of Japanese architecture

Each garment is meticulously crafted to embody the fluidity and precision of folded paper, evoking a sense of effortless grace and structural intrigue.

Drawing inspiration from the clean lines and geometric shapes found in traditional Japanese architecture, the collection explores the interplay between form and function.
